

Steps Of Process

Step 1. Registered Myself on Github by entering my College email id...

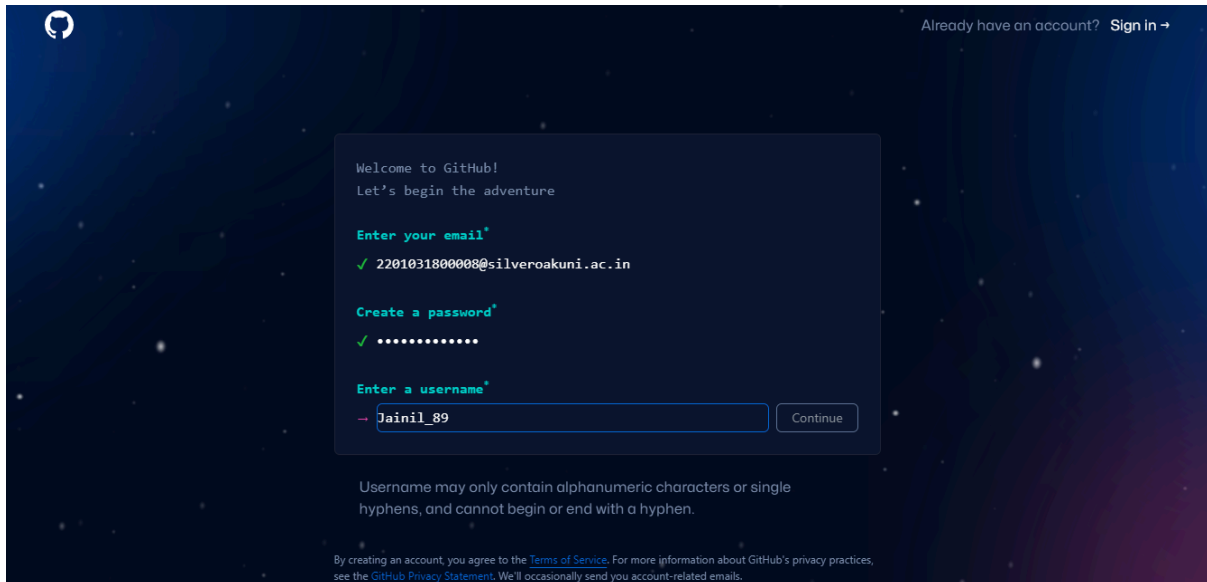

The screenshot shows the GitHub registration page with a dark blue background and a starry pattern. At the top left is the GitHub logo, and at the top right is the text "Already have an account? [Sign in](#) →". The main content area has a dark blue box with the text "Welcome to GitHub! Let's begin the adventure". Below this is a form with the label "Enter your email*" and a text input field containing "2201031800008@silveroakuni.ac.in". A green "Continue" button is to the right of the input field. Below the form, there is a small text block: "By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll occasionally send you account-related emails." At the bottom, there is a footer with the GitHub logo, "© 2024 GitHub, Inc.", and links for "Terms", "Privacy", "Security", "Status", "Docs", "Contact", "Manage cookies", and "Do not share my personal information".

Step 2. Then Entered my Password...

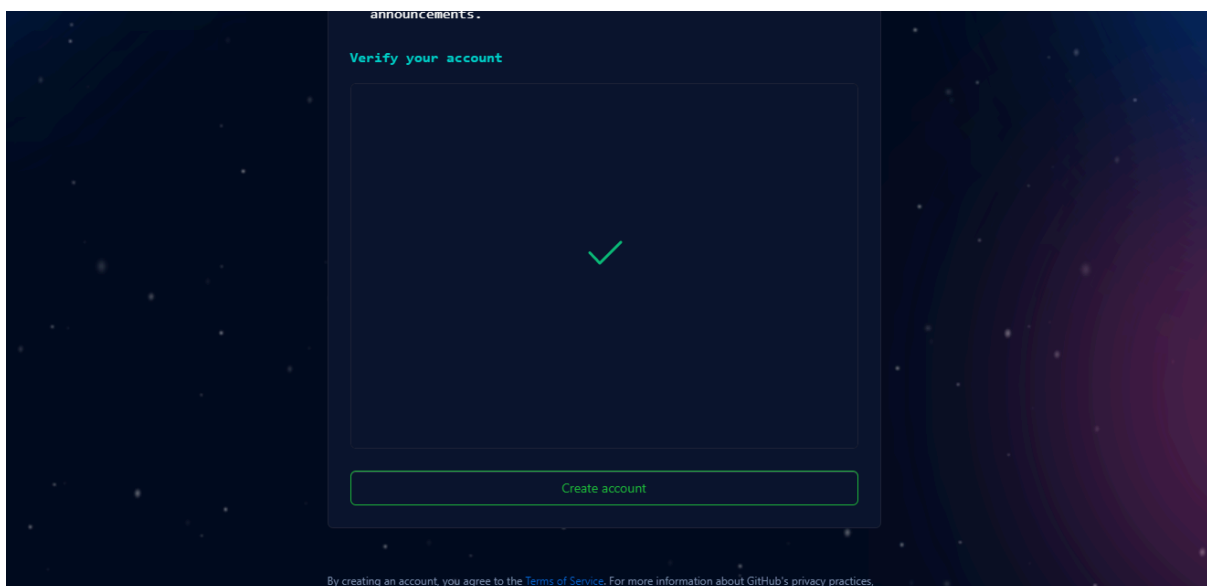

The screenshot shows the GitHub registration page with a dark blue background and a starry pattern. At the top left is the GitHub logo, and at the top right is the text "Already have an account? [Sign in](#) →". The main content area has a dark blue box with the text "Welcome to GitHub! Let's begin the adventure". Below this is a form with the label "Enter your email*" and a text input field containing "2201031800008@silveroakuni.ac.in". A green checkmark is to the left of the email. Below the email field is a form with the label "Create a password*" and a password input field with a green checkmark and a "Continue" button. Below the password field, there is a green bar with the text "Password is strong" and a note: "Make sure it's at least 15 characters OR at least 8 characters including a number and a lowercase letter." At the bottom, there is a small text block: "By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll occasionally send you account-related emails." At the bottom, there is a footer with the GitHub logo, "© 2024 GitHub, Inc.", and links for "Terms", "Privacy", "Security", "Status", "Docs", "Contact", "Manage cookies", and "Do not share my personal information".

Step-3. After that Select Username and done with Verification.

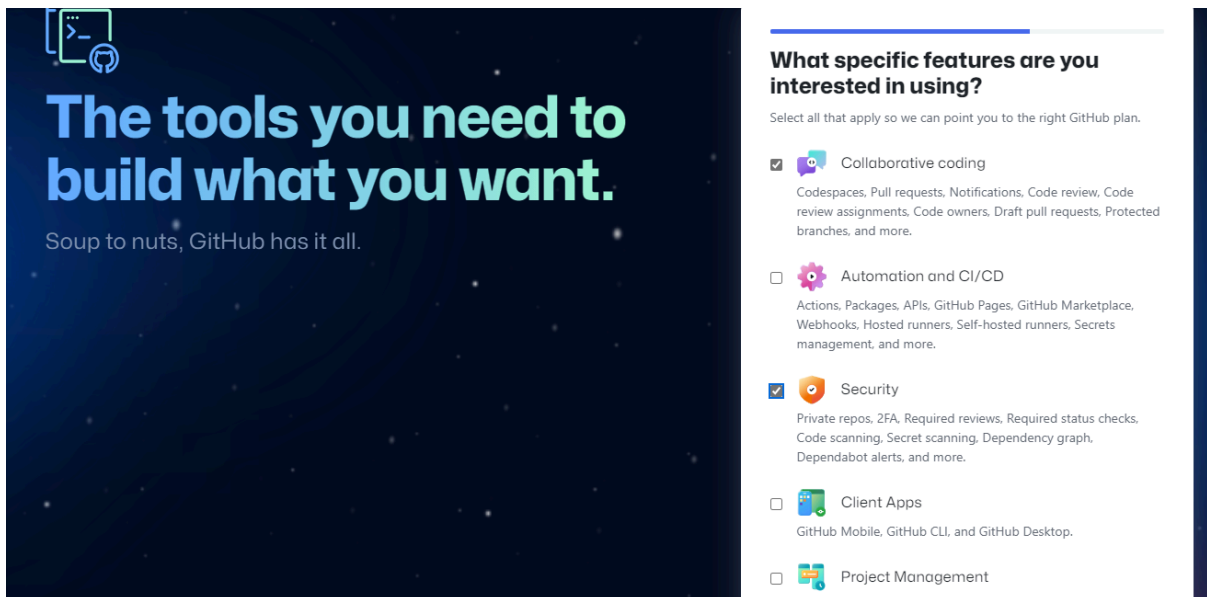

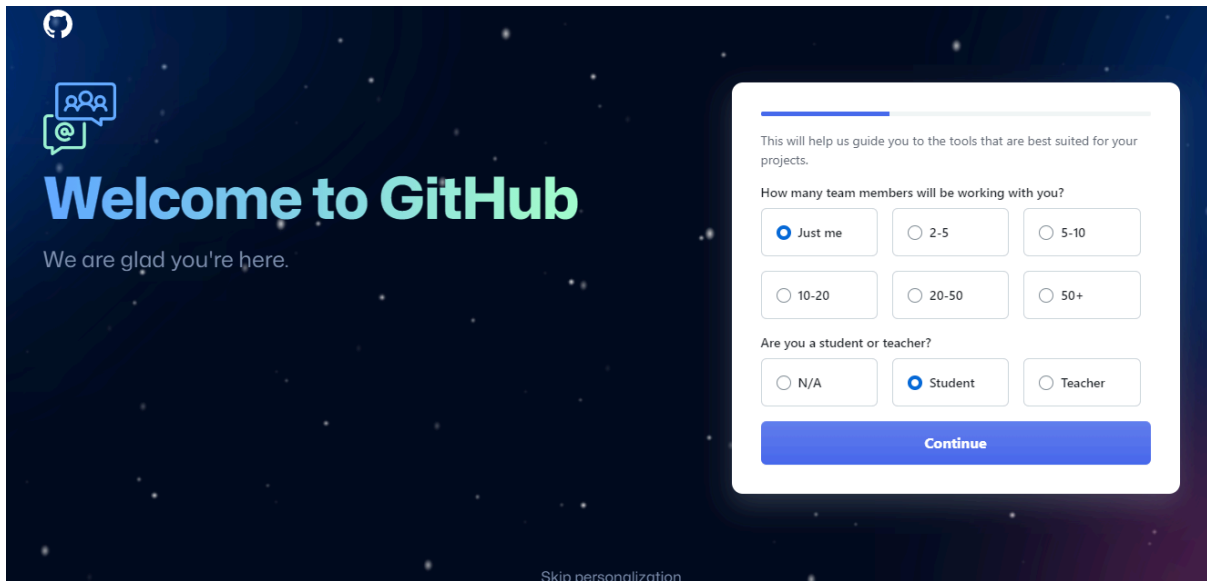

The image shows the GitHub account creation interface. At the top right, there is a link "Already have an account? Sign in →". The main form is titled "Welcome to GitHub! Let's begin the adventure". It contains three input fields: "Enter your email*" with a green checkmark and the value "2201031800008@silveroakuni.ac.in", "Create a password*" with a green checkmark and masked dots, and "Enter a username*" with a red minus icon and the value "Dainil_89". A "Continue" button is to the right of the username field. Below the form, a note states: "Username may only contain alphanumeric characters or single hyphens, and cannot begin or end with a hyphen." At the bottom, a small disclaimer reads: "By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll occasionally send you account-related emails."

The image shows the GitHub account verification screen. At the top, it says "announcements.". Below that, the title "Verify your account" is displayed. The main area features a large green checkmark inside a dark square. At the bottom, there is a "Create account" button. A small disclaimer at the very bottom reads: "By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#)."

Step-4. So now my Github Account has been Created successfully after completing Personalization...

Step-4. After All of these I Created Repository Named As my Roll No. **2201031800008** containing two folders Named **Assignment_1** And **Assignment_2** ...

Create a new repository

A repository contains all project files, including the revision history. Already have a project repository elsewhere? [Import a repository.](#)

Required fields are marked with an asterisk (*).

Owner *

 jainil89

Repository name *

2201031800008

 2201031800008 is available.

Great repository names are short and memorable. Need inspiration? How about [sturdy-winner](#) ?

Description (optional)

- ☒  **Public**
Anyone on the internet can see this repository. You choose who can commit.
- ☐  **Private**
You choose who can see and commit to this repository.

Initialize this repository with:

- ☐ **Add a README file**
This is where you can write a long description for your project. [Learn more about READMEs.](#)

Add .gitignore

.gitignore template: **None**

Choose which files not to track from a list of templates. [Learn more about ignoring files.](#)

Choose a license

License: **None**

A license tells others what they can and can't do with your code. [Learn more about licenses.](#)

 You are creating a public repository in your personal account.
